

Does poor eyesight sometimes make your life difficult?

You may benefit from advice and support that your local council social services department (or its designated agency) can provide for you.

Your council has a duty to:

- Advise you of the range of Services available to people with sight problems
- Carry out an assessment of your needs

These services can include:

- Supply of special equipment
- Training to manage daily tasks
- Arranging for you to be registered (if your eye specialist determines you are eligible and you consent)

Attention Driving Licence holders

In accordance with the advice shown on the driving licence, any driver with impaired vision should inform the DVLA, who will consider each case on an individual basis.
